ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). Members are advised that 2 minutes remain on this vote.

□ 1627

So (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

ROTC AND MILITARY RECRUITER EQUAL ACCESS TO CAMPUS ACT OF 2004

Mr. ROGERS of Alabama. Mr. Speaker, pursuant to House Resolution 580, I call up the bill (H.R. 3966) to amend title 10, United States Code, and the Homeland Security Act of 2002 to improve the ability of the Department of Defense to establish and maintain Senior Reserve Officers Training Corps units at institutions of higher education, to improve the ability of students to participate in Senior ROTC programs, and to ensure that institutions of higher education provide military recruiters entry to campuses and access to students that is at least equal in quality and scope to that provided to any other employer, and ask for its immediate consideration.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. OSE). Pursuant to House Resolution 580, the bill is considered read for amendment.

The text of H.R. 3966 is as follows:

H.R. 3966

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "ROTC and Military Recruiter Equal Access to Campus Act of 2004".

SEC. 2. FINDINGS.

Congress makes the following findings:

(1) The Reserve Officers Training Corps (ROTC) program is the most common path for undergraduates to become United States military officers.

(2) The inclusion of both public and private undergraduate institutions in the ROTC program insures a more racially, ethnically, and socially diverse pool for leadership in the higher ranks of the Armed Forces.

(3) The majority of both minority officers and female officers in the Armed Forces are acquired through undergraduate ROTC programs.

(4) The presence of ROTC programs on college campuses benefits even those students who are not enrolled by making them aware of the presence and role of the United States military.

(5) Land-grant colleges received land from the United States on the condition that they offer some military instruction in addition to their regular curriculum, forming the basis for the Nation's tradition of college and university acceptance of responsibility to contribute to the Nation's readiness.

(6) The Armed Forces face a constant challenge in recruiting top-quality personnel that ROTC programs are ideally suited to meet.

(7) Military recruiters should have access to college campuses and to college students equal in quality and scope to that provided all other employers.

(8) If any college or university discriminates against ROTC programs or military recruiters, then under current law that college or university becomes ineligible for certain Federal taxpayer support, especially funding for many military and defense programs.

(9) The personnel and programs of the Department of Homeland Security and the Department of Energy are mutually dependent upon a high caliber of well-educated, professional leadership in the Armed Forces in order to protect the people and territory of the United States.

(10) In order to more fully promote the ability of the Nation's Armed Forces to recruit on college campuses and to facilitate the ability of students to participate in ROTC programs on campus, the laws to prevent discrimination against ROTC and military recruiters should be updated.

SEC. 3. PROHIBITION ON PROVISION OF HOME- LAND SECURITY-RELATED FUNDING TO POST-SECONDARY SCHOOLS THAT PREVENT ROTC ACCESS OR MILITARY RECRUITING ON CAMPUS.

(a) IN GENERAL.—The Homeland Security Act of 2002 (Public Law 107-296; 6 U.S.C. 101 et seq.) is amended by adding at the end the following new title:

"TITLE XVIII—ADDITIONAL PROVISIONS

"SEC. 1801. PROHIBITION OF FUNDS BEING PRO- VIDED TO INSTITUTIONS OF HIGHER EDUCATION THAT PREVENT ROTC ACCESS OR MILITARY RECRUITING ON CAMPUS.

"No funds made available for the Department may be provided by contract or by grant to an institution of higher education (including any subelement of such institution) that, by reason of a determination by the Secretary of Defense under subsection (a) or (b) of section 983 of title 10, United States Code, is ineligible for the receipt of a contract or grant from funds specified in subsection (d) of that section."

(b) CLERICAL AMENDMENT.—The table of contents in section 1(b) of such Act is amended by adding at the end the following new items:
